FDD Abstract of [REDACTED]

KUERSCHNER'S REGISTER OF GERMAN SCHOLARS, 1935 (560 double pp; German; 1935)

[REDACTED]

25X1X

This document consists of two volumes [REDACTED] of a reference work, Kuerschner's Deutscher Gelehrten-Kalender 1935 (Kuerschner's Register of German Scholars, 1935), published by Walter de Gruyter & Co., Berlin and Leipzig. This edition, the fifth, was edited by Dr. Gerhard Luetdke, and contains approximately 16,000 names. The table of contents is as follows:

## Preface (3 pp)

The preface notes that the fourth edition appeared in July 1931 and that the fifth edition, for reasons of economy and space, does not duplicate bibliographical listings of earlier editions, but is a continuation of, and should be used with, the 1931 edition.

## Explanation of Symbols and Abbreviations (2 pp)

## Part I

## Literary Copyrights (31 pp)

This section includes the text of the Law on the National Board of German Arts and Culture of 22 September 1933, the first and second regulations (1 and 9 November 1933) for execution of that law, and explanatory comments on the law. Also given is the text of the law of 4 October 1933 governing newspaper editors, and explanatory comments on the law.

## German Publishers of Scientific Works (7 pp)

Not all publishers listed publish scientific or technical works exclusively.

## Scientific Periodicals (76 pp)

A comprehensive list covering 17 general fields of study.

## Part II

## Register of German Scholars (800 pp)

Following the general pattern of such compilations, biographical data are given under each name, including main field of endeavor, title and present position, address, birthplace, birth date, publications, etc. Most of the information was obtained directly from the persons listed.

## Addenda (9 pp)

## Commemorative Calendar (29 pp)

A calendar from 1 April 1935 to 31 December 1937 indicating the dates when German scholars listed will reach their 50th, 60th, 70th, 75th, 80th, 85th, 90th, or 95th birthdays.

## Deaths (21 pp)

A list of those who have died since the appearance of the fourth edition.

Survey of fields covered and list of names according to specialized field of endeavor (103 pp)

## Advertisements (28 pp)

Publishers, booksellers, second-hand bookshops.
